Individual and Group Coaching

When we are working with you one-on-one, it is our highest objective to help you reach your purpose, vision, and goals by working through your specific needs. Together, we will create a strategic, powerful plan for you to gain clarity through a weekly process including, interaction and accountability. When in a group setting, having the entire group's input in thinking magnifies the richness of the discussions and results in developing solutions that are above and beyond what any individual can create. It is an experience unlike any other and follows the same premise as an academic think tank.

The John Maxwell Team Leadership Game

The John Maxwell Team Leadership Game is a comprehensive game based on the teachings of John C. Maxwell. These leadership principles carry consequences with them. Apply the laws in your organization and influence. Violate and ignore them, and your ability to lead others will suffer. By there's news: every one of the laws can be learned. How? Play the game with your team and find out!
